

SGWL WILDCATS Hockey Team and Alumni Jamboree

Benefits Wounded Warrior Project

Suffield-Granby-Windsor Locks CT, January 6, 2017:

Wildcats Hockey 1st Annual Alumni Jamboree to benefit the Wounded Warrior Project was a huge success. The rink was filled with current and former student athletes and fans from Suffield, Granby, and Windsor Locks. Thirty alumni played in the jamboree. The current players chose the Wounded Warrior Project as a charity because they wanted to help our military troops and veterans. The Wildcats Hockey Booster Club coordinated the event raising \$941 for the Wounded Warrior Project. Assistant Wildcats Hockey Coach Jon Cieri did a great job reaching out to the alumni for the game. Even though several of the alumni graduated many years ago, they all still feel a strong bond with the Wildcats Hockey Program. Friday night was a success for all involved.

WILDCATS HOCKEY
