

Wildcats Hockey Booster Club

**Supporting Suffield, Granby and
Windsor Locks High Schools Co-op Ice
Hockey**

Dear Sponsor of Wildcats Hockey,

The Wildcats 2022-2023 hockey season is about to start and as in past years, we look forward to working with community businesses, parents and schools to help support our hockey team.

The cost to operate the co-op program continues to rise; ice time being the greatest expense. Without our sponsor's continued generous support, some of our players would be unable to participate in the sport. So in order to keep our fees as low as possible, we need your help.

The Wildcats Hockey Booster Club publishes a game program for each home game played at the International Skating Center of Connecticut (ISCC) in Simsbury. These programs contain game schedules, team rosters and most importantly a listing of all of our sponsors based on level of support. Sponsors are also listed on the team web site with a web link to their business. Should you choose to sponsor the team at our highest level (Stanley Cup), your company information will be singled out and featured at one or more games on the reverse side of the program. Programs are given to all spectators attending the games.

We hope you will consider being a sponsor for the Wildcats Hockey team as your contributions are a major funding event for the players and help offset the cost for annual play.

For more information on the Wildcats Hockey program, please visit www.suffieldhockey.org

Thank you for your support and participation.

Sincerely,

Wildcats Hockey Booster Club
